

Swami Svatmananda Saraswati to return to Argentina in November 2016

We happily announce that Sri Swami Svatmananda Saraswati will be in Argentina for the month of November of 2016. His first visit was in 2015 for our 25th anniversary.

Now we are planning his program of public talks and Vedanta classes and would like to receive requests from centers with ample halls located in different cities and towns.

If you are interested in inviting Sri Swami Svatmananda Saraswati to give a talk or series of classes on Vedanta at your center, open to the public, please send your request to fundacionarshavidya@gmail.com or call Dr. Roberto Toranzo at (5411) 4541-6761.
