

SWAMI DAYANANDA SARASWATI

In commemoration of a Master of Masters-

The legacy of wisdom and compassion of our beloved Teacher will always be present in the hearts of all of us around the world who have been graced by His Love and His Vision.

Let us celebrate His life as he was a true Rishi in our midst.

May we be able to commit ourselves to this Vision and make it our own, so that His Presence in our respective lives truly counts.

Only for that He became present in this lifetime.
